Cemetery Report

Submitted by Jim Toolan on October 5, 2018

Mayor and members of the Board:

Cemetery Department:

- One lot sale.
- Burials - six full and two cremations.

Repairs:

- Worked on finishing new road for access to new field for farm equipment.
- Ordered 60' of 30" inside diameter plastic corrugated pipe. This is to replace existing 17" inside galvanized pipe under shed that had the bottom rotting out and flooding under shed during heavy rain.
- Started digging out old tile and galvanized pipe to ready head wall and exit concrete wall for drilling and enlarging opening for new pipe installation.
- Discovered floor joists that support shed floor are starting to separate from main beam support that runs through middle of building. My crew and I put two support beams on either side of existing main beam to temporarily fix for now till time comes for permanent resolution.

Clean-Up:

- Mowing and trimming constant and taking much of the labor hours this month.
- Fuel Usage. Unleaded for mowers and trimmers equals 120 gallons. Diesel for truck 22 equals 45 gallons. Diesel for Ford 545D equals 15 gallons.

September 2018 Streets and Parks Monthly Report

Submitted by Superintendent Michael E. Harter on October 4, 2018

Mayor and members of the Board of Trustees

Street Updates:

- Street patching will wrap up in October.
- High Street paving is complete.
- Street sweeping continues on Main Street in the early AM. The rest of the Village is after 7 AM.
- We continue picking up a lot of old furniture & misc. throughout the village.
- Tree trimming, and removal is ongoing.
- Flower and new tree watering has completed for the year.
- The hanging flower baskets are down and have been returned to Arnolds. The flower boxes will be picked up soon.
- We are picking up a lot of brush that residents are bringing to the curbside. Leaves are beginning to fall.
- Street sign repairs are ongoing. Also putting up no parking signs per PD.
- We are finishing catch basin repairs on River Street.
- Road salt will be starting to get delivered soon, just waiting on Cargill's contract to be signed with OGS.
- Preparations for winter are underway mostly on the mechanical side at the moment.
- Fall Amnesty day has been set for November 10, 2018 and November 17, 2018 is the overflow date.
- Plans are in the works to plant 20 trees this fall.

Park Updates:

- Tree trimming in the parks is complete. We have 3 to cut at Durkee park and 3 to cut at Newton Water Works in the spring.
- Daily upkeep on parks continues. Water is shut off at all parks except Calale.
- The weather has hindered the painting of the dock at Durkee Park. This will be completed as weather allows.

September 2018 Maintenance Report

Submitted by Nicholas Casterline MEO/Mechanic on October 5, 2018

HFD updates

- 501 - Replaced the leaking steering assist cylinder and 2 light bulbs to get the truck to pass NYSI. These items were found in pre-inspection at our shop.
- 541 - Sent radiator out for repair and reinstalled (removal and reinstall was a 4-person job, great team effort). Found and replaced fan bearing. (excessive play in bearing) replaced worn radiator hoses. Replaced wire from alternator with heavier cable (existing cable was damaged from overheating). Repaired an exhaust leak. I am also working on prices for new wheels and tires for the rear (tires are worn, and the wheels will not pass inspection due to excessive corrosion) Also working on prices for brakes for the truck. Still working on one small oil leak. I am attempting to find the appropriate gasket to repair it, if I am unable to obtain it, I will get the material to make a gasket.
- 503 NYSI Passed
- 522 NYSI Passed

HPD Update

- Normal Maintenance items
- 2 New sets of winter tires have been ordered and are in stock for when it's time to install them. I have one set here for the third car.

Street Update

- #28 is undergoing repairs to the brake system. Four new brake chambers and slack adjusters due to wear and salt exposure. Also found a broken U-

bolt on the front axle and replaced all four. The truck will also be getting serviced and start the conversion to snow and ice removal mode.

- #24 is ready for leaf season
- #25 is ready for leaf season
- #30 is ready for leaf season
- #34 has a new gutter broom and ready for leaf season and is already working on leaf and street cleanup
- # 38 is being prepped for winter storage
- # 32 is being cleaned and will be getting prepped for salting operations
- # 31 has been switched from watering to fall brush cleanup and will be starting snow and ice removal prep. This is the first F-550 to get setup
- # 29 is still set up for patching operation at this time and will also be used for brush cleanup. Will start cleanout mid to late October for snow and ice removal operations

Water Update

- No vehicle repairs

Misc.

- I spent part of a day assisting Preble with the vac truck cleaning culvert pipes and culverts.
- Spent time painting the fence at Durkee Park, the shed at the police station and the front wall of the salt shed
- I have also spent time in the sweeper cleaning streets
- NYSI are continuing and are almost complete for the year
- Normal maintenance continues on all equipment.
- I also assisted in the paving of High street as well as the asphalt repairs at the fire station.
- Also helped with the patching on several streets.

Homer Farmers' Market Report

Submitted by Kristen Case October 5, 2018

Updates:

- Our Wednesday Farmers' Markets have ended
- We are scheduled to continue Saturday's until the end of October
- Our customer numbers have been very low since it has gotten colder.
- I talked with Stu about using the Community Center as a backup rain location on Wednesdays next year, he said that would need to go before the board for approval.

October 9, 2018

Honorable Mayor and Trustees,

The monthly fire report has been submitted for your review.

September report:

We had monthly Officers and Chiefs meetings

I attended all the Company meetings, Department Board meeting, Fire Police meeting, Village Board meeting and the Department Head meeting, along with the County Fire Chiefs Assoc. Meeting and the Fire Advisory Board meeting.

Monthly fire training was on Firefighter decontamination.

We did not get the regional FEMA grant for the fire hose; however, we will be re applying for that grant this year.

I have also asked our grant writer to submit a "mini grant" for SCBA facepieces so we can come into compliance with OSHA and the manufacturers recommendations.

We have scheduled our fall fire school for the week of October 15th – 20th

Our Fire Prevention Open House will be this Thursday October 11th at 18:00 to 20:00

Fire pump testing has been scheduled

One new multi gas meter and one CO meters were recently received.

Respectfully,

Mahlon Irish Jr.
Fire Chief

September 2018 Monthly report

Date: October 1, 2018

For the time period: 08/26/18 – 09/26/18

Mayor and members of the board,

Patrol Monthly Activities:

Please refer to the attached detailed reports for last month. We had a total of 317 calls for service during the month of September. We had a total of 4 Penal Law arrests which consisted of 2 misdemeanors and 2 violations. We issued a total of 66 vehicle and traffic stops, which resulted in 3 arrests for the unclassified misdemeanor of Aggravated Unlicensed Operation in the 3rd degree and 1 arrest for Driving While Intoxicated. Officers also responded and investigated 12 motor vehicle collisions, 9 involved property damage and 3 involved injuries. An operator involved in 1 of the property damage collisions was arrested for Driving While Intoxicated.

Notable investigations or incidents during the month of September: a domestic related incident where an individual was arrested for criminal mischief and criminal obstruction of breathing; criminal mischief to the lawn (park) at the corner of Clinton St and Warren St; follow-ups to a falsely reporting of an incident and a larceny.

School Officers Reports:

Please refer to the attached detailed school resource officer's report for September. There were a total of incidents that the resource officers were involved in during the month of February.

Recent updates:

Security cameras updates: No issues with the cameras during the month of September.

Patrol vehicles updates: No issues with the patrol vehicles regarding maintenance.

Bike patrol updates: Due to the weather bike patrols have been limited. The grant funding from Cortland Area Communities That Care (CACTC) will continue for bike patrol until the end of October.

Grant updates: We are in the final stages of the 2018 New York State Traffic Safety Grant, which will end on September 30, 2018. The 2019 traffic safety grant, which we were awarded a total of \$3,811.00 will begin on October 1, 2018. As previously indicated this grant is for additional traffic enforcement in the village.

We received notification regarding the federal pilot grant program for funding for law enforcement for reducing trespassing on railroad property. We did not receive any funding for this grant.

As indicated in the August report, we along with the school district added officers to the school resource officer program. The new officers consist of Officer Quentin Giles, Officer Randy Andrews and Officer Kevin Soderholm. Officer Giles will be at the elementary school. He recently retired from the New York State Police after 21 years of service and was a K-9 handler. He also holds several certificates to include firearms and OC (pepper spray) instructor, all of which will be beneficial to the police department as it relates to training. Officer Andrews will be at the junior high school. He retired from the DeWitt Police Department in 2017 and during the last 7 years with DeWitt he was the department's juvenile investigator. Officer Soderholm will be the evening SRO. He recently retired from the Syracuse Police Department after 19 years of service and he was a k-9 handler with the Syracuse Police Department. Officer VanOrden and Officer Bort are returning from last year. Officer VanOrden will be at the intermediate school and Officer Bort will be at the high school.

Miscellaneous and Events:

Due to weather the Boy Scouts were not able to paint the shed. However the Village DPW were able to paint it on a dry day. I would like to take the time to thank Mike McCrory, Nick Casterline and Mike Harter for painting the shed for us.

On August 30, 2018, officers conducted commercial vehicle safety inspections with the New York State Police Commercial Vehicle Enforcement Unit and the New York State Department Environmental Conservation Police (DEC Police) in the lower parking lot of the high school off from Copeland Ave. This was in response to the increase of commercial vehicles traveling through the village. During the course of the day, 28 commercial vehicles were inspected, 11 of the vehicles were taken out of service for repairs and 5 drivers were taken out of service for various license violations. There were a total of 94 commercial vehicle violations, which included over weight or over length. Officers issued 24 traffic tickets related to log book or other violations and the DEC Police issued 3 tickets relative to the environmental laws.

On September 11, 2018, officers and members of the fire department attended the annual 9/11 ceremony in front of the village recreation building. This ceremony was in remembrance of the victim's that lost their lives as a result of the attacks on this country on September 11, 2001.

On September 15, 2018, the Cortland County Fire Investigation Team held their first annual fire investigation seminar at the Homer Elks. Over fifteen various police, fire and ems agencies from across Central New York were in attendance. The seminar was intended to raise funds for the team so that they can purchase equipment or attend future training. The seminar was sponsored by various insurance companies and fire equipment vendors from the Cortland area. During the seminar I was presented a plaque from the fire investigation team for providing them support and assistance.

The annual Homecoming Parade was on September 21, 2018 followed by the homecoming game and dance. The starting times for the parade and game had to be changed due the prediction of inclement weather but there were no issues.

On September 26, 2018, we, along with officers from the New York Western and Susquehanna Railroad Police, participated in Rail Safety Week (September 23rd – 29th). Officers were at the railroad crossing on Cayuga St from 10am until 2pm and distributed pamphlets to motorists regarding railway safety. The New York Western and Susquehanna Railroad Police provided (reimbursed) the funding for this.

In conclusion, on September 29, 2018 will be the fall Drug Take Back Event at the Town Hall between 9am and noon. This event is sponsored by the Cortland Area Communities That Care.

Respectfully submitted,

Robert H. Pitman

School Resource Officer's Report:

The School Resource Officer (SRO) program is a valuable partnership between The Village of Homer Police Department and Homer Central School District. The SRO's are based out of the school district buildings and maintains an office within the high school. This facilitates and allows the SRO's to be immediately accessible to students, faculty, administration and parents. The SRO's primary goals are to assist in maintaining the highest level of safety within our schools through prevention, and intervention as well as to reduce juvenile crime and incidents through education and counseling.

The SRO's investigate incidents which occur on the properties of schools within the Village of Homer (Elementary, Intermediate, Jr. High and High School). The SRO's facilitate assistance for all through the use of police department, school and community resources. The SRO's also conduct investigations, assist in certain student/parent meetings, phone consults, partner agency meetings, referrals, informal counseling, providing assistance to school officials and assistance to other police officers and agencies in regards to students or school issues and property.

The following data provides information and tracking of notable incidents handled for the time period of this report as well as a school year to date compilation.

September 2018 Recreation Monthly Report

Submitted by Recreation Director Zack Pollak on October 5, 2018

Recreation Updates:

Football: Continued success in building up the program with KC Slade, Cortland, and Tully. Looking forward to next year as we add more towns and villages to the roster. 43 helmets have been or are in the process of being sent back to Schutt for sizing issues. Some injuries, nothing major, everyone has been cleared to play at this point.

Cheer: Girls have begun practice for their tournament on November 4th in Moravia.

Basketball: Registrations are coming in, deadline is Oct 14th. Still in need of a 4th grade and 6th grade girls coach. Much more focus on rec teams this year. If a coach wants to run a tournament team then he or she needs to also coach a rec team. The new Girls Varsity Basketball coach from Homer reached out to connect and offer help! Cortland is looking to build a basketball league that mirrors the RT 81 Football League we have created. Good news for next year.

We are running the following programs this year:

1. COED Skills & Drills (K – 3 Boys, K – 2 Girls): Coach Rob Felt
2. Girls 3rd Skills & Drills: Chris Difulvio
3. Boys 3rd Travel: Chris Difulvio + Steve Franco
4. Boys 4th Travel: Chris Calabro
5. Boys 5th Travel: Aaron Hart
6. Boys 6th Travel: Steve Franco
7. Boys 6th Select: Steve Franco
8. Girls 4th Travel: TBD
9. Girls 5th Travel: Mike Gofkowski
10. Girls 6th Travel: TBD

Ski Club: Registration is online, signups are coming in. Info packet will go out next week.

Other: Thank you DPW for adding mulch and adjusting the swings at Newton Park, looks great!

Calale Field: Will be expanding the parking lot next year. Means we will need to move the softball field and field goals. Softball field is easy enough as its mostly grass. Hopefully we can turn the football field into a true 120 yard field @ 160ft wide, if possible! Lights would be nice too... The dog park will need them anyway....

Water Billing Report

Submitted by Kristen Case October 5, 2018

Mayor and members of the Board:

Updates:

- October's Water/Sewer bills have gone out
- Getting the meter reads into the system went much more smoothly this time around.
- A few calls have come in about the amount of water bills. Most higher bills are due to higher consumption. Some were because a payment was received after bills were calculated.
- Would like to discuss if water/sewer bills should only be mailed to the property owners. Some landlords have the bills sent to the tenants directly (with the tenant's name on the bill).
