## May 2019 Streets and Parks Report

Submitted by Superintendent Michael E. Harter

### Streets and Parks Updates

- Street cleanup continues with all the rain in the month of May. A lot of residents are just getting to yard cleanup. Reminder that curb side pickups for brush and leaves are not all week, only Wednesday and Thursday's. Spring Amnesty Day is over until fall, please ask residents to stop putting out furniture, appliances, etc. at curb side for pickup until fall amnesty and follow code.
- Road Patching - as the weather permits we are patching streets. With all the rain of course, we are way behind and that includes paving. Durkee Street and Newton Water Works just got paved. (June 7<sup>th</sup>)
- Community Gardens - we have repaired 4 planter boxes and have plans to do 4 more as time permits, clean and paint the storage sheds. Dock painting at Durkee Park.
- All new trash cans with rain tops have been placed out in the Village. They are not at the locations requested because of residents not wanting them at some of the locations. Additions have been made to Main Street and the Green.
- Plans are in the works for Newton Park and the playground equipment has been ordered.
- 22 trees have been planted. Plans for fall planting is in the works and for a few on streets being worked on by NYSEG this summer.
- We supplied trash cans and road barricades for Relay For Life event that was on the green.
- Flowers and planters from Arnolds were put out for the summer. We will be watering every morning Monday thru Friday along with every day during park maintenance.
- Mowing and Trimming is ongoing all summer. Sign replacements are ongoing. Rain, Rain.
- We supplied trash cans, barricades, road signs etc. for Field Days. Helped with trash clean up Sunday and Monday. We also pumped both septic tanks before field days.

- Street sweeping Thursday and Friday's unless there is a storm
- Catch basin repairs and River Street storm drain repairs are ongoing. Side walk repairs are ongoing, along with mud repairing on our road sides from all the rain.
- Tree cutting and stump grinding by Dafoe tree service ongoing.
- We helped with the office move and will continue as needed.
- NYSEG still here working on gas lines and home services. They are on Cayuga Street now. DDS is working on the sidewalks and ADA ramps (list to follow upon completion).

## **Homer Farmers' Market Report**

Submitted by Kristen Case June 11, 2019

### **Updates:**

- Things are off to a good start
- Starting to feature local artists and crafters at our Saturday Markets. This week we are featuring "Small Town Designs by Ahren" she makes beautiful homemade home decor items and other various fabulous things. Please let anyone interested in participating as a local artist and/or crafter to contact me!
- The discount cards seem to work well, and I believe that the consumers appreciate the ability to use them and they don't seem to be too much of a hassle for the vendors.
- The Community Gardens are coming along. I have had compliments for the Street Department with their bed repairs, Thank you!

### May 2019 Monthly report

**Date: May 30, 2019**

**For the time period: 04/26/19 – 05/28/19**

Mayor and members of the board,

#### **Patrol Monthly Activities:**

Please refer to the attached detailed reports for last month. There were a total of 407 calls for service during the month of May. Although officers did not have any Penal Law arrests in May, they conducted a total of 72 vehicle and traffic stops, which resulted in 48 traffic tickets being issued and 2 aggravated unlicensed operator arrests. They also investigated 13 motor vehicle collisions, all of which involved property damage only.

Notable investigations or incidents during the month of May: an investigation at an assisted living facility that led to the New York State Department of Health and the Village of Homer Codes being notified; a larceny investigation at an assisted living facility; a land property dispute involving the school, which was resolved civilly and a grand larceny investigation where a resident was “tricked” into sending money believing they were a contest winner (the postal investigators were notified and the money orders were returned to the victim before they were cashed).

#### **School Officers Reports:**

Please refer to the attached detailed school resource officer’s report for May of 2019. There were a total of 417 incidents that the resource officers were involved in during the month of May.

#### **Recent updates:**

Security cameras updates: No issues with the current cameras during the month of May.

Patrol vehicles updates: No issues with the patrol vehicles regarding maintenance. A representative from Van Bortel Ford indicated that production for the 2020 Ford Explorer that will be replacing the 2016 Ford Taurus (126) has been updated from June 24, 2019 to June 17, 2019. As indicated in April’s report, the expected delivery date of the vehicle will be sometime in July or August.

Bike patrol updates: Cortland Communities That Care has again provided funding for the bike patrol, which would have started in May but due to the weather and scheduling conflicts will start in June.

Grant updates: NYS Traffic Safety Grant: State of New York's seat belt enforcement campaign, "Click it or Ticket" started on May 20, 2019 and ends on June 2, 2019. Grant funding was utilized for a multi-agency seat belt / safety check on South Main St. Additional grant funding will be utilized during the month of June for traffic enforcement in the areas of the schools and parks. Sometime in June or July we will be notified an award amount for 2020.

### Miscellaneous and Events:

US Military Innovative Readiness Training (IRT) update: with the IRT approaching, I will be attending meeting weekly until the event. I am continually updating the emergency operations plan for this event with expectations to be completed sometime in the beginning of June. The housing issue for the military has been resolved they will be staying at SUNY Cortland's west campus. .

There were parades and races in May that officers and fire police assisted with, Homer Little League Opening Day Parade on May 4, 2019; the Z Club of Cortland Run/Walk Race on May 18, 2019; the Peak to Brew Relay Races on May 18, 2019 and the annual American Legion Memorial Day Parade on May 27, 2019. There were no incidents during each of the parades or races.

There are several planned events during the beginning of June. Relay for Life on the Village Green; Cortland Youth Bureau's fishing derby at Durkee Park and the Rotary Club's walk/run race will be on June 1, 2019; the Homer Fireman's Field Days will be on June 6, 7 and 8, 2019 with the parade on the last day. Officers will be present or assisting with traffic during each of these events.

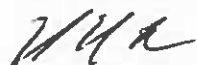

Officer's annual in-service firearms qualification training will be on June 5, 6, 18 and 19, 2019 at the McGraw Rod and Gun Club. With the firearms training, New York State Division of Criminal Justice Services (DCJS) has composed a new one-hour Use of Physical Force and Deadly Physical Force online training that is designed to complement use of force training that new police and peace officers receive during basic training. The online training reinforces the concepts now taught at the basic level and serves to further train new and current officers on the legal and decision-making aspects of encounters where force is applied. DCJS is recommending agencies implement this training into in-service training therefore officers are completing it before attending their scheduled firearms training date.

During the months of May village officers and school resource officers have assisted school officials with lockdown drills at each of the schools. Sheriff's deputies and troopers have also assisted with the drills so that they can become familiar with the schools. The drills will continue into June until each school has closed for the school year.

Along with the school lockdown drills, the intermediate and jr high schools will be having an evacuation drill on May 31, 2019. Village officers, sheriff's deputies, troopers and fire police will be assisting with this drill (traffic and off-sight security).

In conclusion, former Village of Homer Trustee, Margo Yeager, has asked me to be a guest speaker at the Cortland Area of Aging's annual Enrichment Day on June 4, 2019 at SUNY Cortland. This is the 23<sup>rd</sup> year for this annual event and I will be speaking about security and safety at home and away.

Respectfully submitted,

**School Resource Officer's Report: 04/25/18 – 05/24/19**

The School Resource Officer (SRO) program is a valuable partnership between The Village of Homer Police Department and Homer Central School District. The SRO's are based out of the school district buildings and maintains an office within the high school. This facilitates and allows the SRO's to be immediately accessible to students, faculty, administration and parents. The SRO's primary goals are to assist in maintaining the highest level of safety within our schools through prevention, and intervention as well as to reduce juvenile crime and incidents through education and counseling.

The SRO's investigate incidents which occur on the properties of schools within the Village of Homer (Elementary, Intermediate, Jr. High and High School). The SRO's facilitate assistance for all through the use of police department, school and community resources. The SRO's also conduct investigations, assist in certain student/parent meetings, phone consults, partner agency meetings, referrals, informal counseling, providing assistance to school officials and assistance to other police officers and agencies in regards to students or school issues and property.

The following data provides information and tracking of notable incidents handled for the time period of this report as well as a school year to date compilation.

## **Water Billing Report**

Submitted by Kristen Case

### **Updates:**

- July newsletter is ready to be reviewed.
- Changes have been made to full page water/sewer bill in order to make it easier to read
- I will take suggestions from residents and my own observations to improve the functionality of the full-page bill for July's billing.
- Things should be able to be on schedule for this billing.

## **May 2019 Water & Sewer Monthly Report**

Submitted by Lawrence Barber

### **Water Department Updates:**

- Ran New Water service to 79 North Main Street.
- Blacktopped the spot we dug up for repairs.
- Replaced suction tub on Vac Truck. The old one had a hole in it.
- Put in new chlorine feed line to well pumps.
- Helped Street Dept. with sidewalk repairs.
- Had the 2000 van and 2011 Ford pickup inspected.
- Went to Dig Safe Training Class on May 9<sup>th</sup> to get Certified.
- Ground the Water Dept. garage parking lot to get ready for new blacktop.
- Repaired Curb Stop at 17 Cheery St that got cut off by the Lawn Mower.
- Put in a new hydrant on Cortland St by the Elks Club as the old one was leaking.
- At 112 & 114 South Main, set the water service lower as it was only 2ft deep.
- Replaced a meter at 12 Albany as it had frozen and was leaking.

### **Sewer Department Updates:**

- Cleaned all sewer pump stations
- Pulled the sewer pumps on Wall St. as they had rags in them.
- Flushed the sewer line on Wall St.

### **New Updates:**

The New Holland backhoe is in and works great.
