

Why Compost?

- Reduce the amount of garbage you generate by up to 80% - that's less tax dollars spent on collection and disposal
- Create wheelbarrows full of valuable compost to add to your garden, lawn, trees, shrubs, and house plants
- Decrease your carbon footprint by reducing waste sent to landfills

What to Compost?

Kitchen Greens:

Fruit & vegetable scraps, houseplant cuttings, coffee grounds, rice & pasta, egg shells, and tea bags

Kitchen Browns:

Coffee filters, stale bread, paper napkins & towels, dryer lint and hair

Yard Greens:

Flowers, vegetables, plant trimmings, hedge clippings, and grass

Yard Browns:

Straw or hay, small twigs/chips, dried grass and weeds

The Village of Homer wants to make composting easier and more affordable for it's residents. Homer Village will purchase THE EARTH MACHINE in bulk quantities and then allow residents to buy at cost, \$41.77.

- Adjustable ventilation
- Side ventilation
- Twist locking pest-resistant lid
- Conical shape for easy removal
- Locking harvest door
- Four screw pegs to secure composter to ground
- 10 year warranty

Join us in reducing the amount of garbage that you generate. Create a compost that will make your garden and lawn healthier and less dependent on chemicals, fertilizer, and watering.

If interested in purchasing The Earth Machine, please return this along with a check in the amount of \$41.77 paid to the order of "Village of Homer" to :

Village of Homer, 31 North Main Street, Homer, NY 13077
