December 2019 Streets and Parks Monthly Report

Submitted by Superintendent Michael E Harter

Working Foreman Philip Stockton

- Christmas preparations, Wreaths and garland, cleaned snow from pavilion and walk paths for Santa on the green (Light of my Life ceremony).
- Removed snow piles from many of our street turn arounds and parking lots.
- Snow blower on Bobcat used on many streets to widen.
- Continue pruning of trees, plow truck clearances.
- Put 3 No Trespassing signs up at Community Building.
- Started putting new reflective street signs up all over Village.
- Hauled all snow off parking lot by Community Building (Main Street snow).
- Pulled grates out of roof of vac, all cleaned and prepped for painting.
- Started cold patching streets. (fixing pot holes).
- Put 2 No Trespassing signs up at Durkee Park.
- Tried prepping the green for ice rink, 2 times so far (as weather permits).
- Cleaning snow away from fire hydrants.
- Removed snow from Hannum Ave because of a parking issue, Center for the Arts.
- Cleaning catch basins as needed.
- Street light outages are still getting reported by us.
- Warm weather has hit through the Holidays. I'm sure colder weather and snow will be back soon.

- None at this time

Misc.

- Normal maintenance continues on all equipment.
- Worked on quotes for new equipment as needed.
- Work on building 5-year and 10-year plans for vehicle replacement for all departments.

January 6, 2020

Honorable Mayor and Trustees,

The monthly fire report has been submitted for your review.

I attended the Company Meetings, Fire Police Meeting, Village Board Meeting, and the Department Board Meeting along with some of our training, County Chiefs and Fire Advisory Board, Village Department Head meeting.

Deputy Chief Harter and I and firefighter John Ryand Jr. made the trip to Myersdale PA to do a pre paint inspection on the new engine. There were some issues, but we are working thru them with the manufacturer.

I'm still working along with Treasurer Digennaro on the paperwork and forms to try and ensure that Firefighter Bush is officially declared a Line of Duty Death (LODD) and the family gets the benefits they deserve.

I also met with Fire Protection Specialist Dave Sayles from OFPC to initiate the paperwork to get LODD recognition on the New York State Memorial in Albany.

Respectfully,

Mahlon Irish Jr.
Fire Chief

December 2019 Fire Inspector Monthly Report

Submitted by Nicholas Casterline

Inspections:

- None this Month

Other:

- New Laptop setup
- Visited the Homer Fire Dept. Community Building to consult on a door repair that they wanted to make after the recent break in. It was determined that the repair that they wanted to make was a safety issue and not allowed by Code. After further looking at the door, it was determined that they needed to hire a door repair company to properly fix the door's panic bar system to solve the problem. Consulted with Kevin to verify this information.

December 2019 Monthly report

Date: December 27, 2019

For the time period: 11/26/19 – 12/26/19

Mayor and members of the board,

Patrol Monthly Activities:

Please refer to the attached detailed reports for last month. There were a total of 405 calls for service during the month of December. Officers made 2 Penal Law arrests in November, which consisted of 1 misdemeanor and 1 violation. They conducted a total of 63 vehicle and traffic stops, which resulted in 24 traffic tickets being issued. They made 1 driving while intoxicated arrest. They also investigated 15 motor vehicle collisions, 13 of which involved property damage and 2 involved personal injury.

Notable investigations or incidents during the month of December: a follow-up investigation to a reported stolen motor vehicle where an arrest was made for falsely reporting an incident; 3 separate burglaries where buildings were entered and either minor damage or tampering was discovered; a larceny of mail complaint and a larceny from an unlocked motor vehicle.

School Officers Reports:

Please refer to the attached detailed school resource officer's report for the month of December of 2019. There were a total of 320 incidents that the resource officers were involved in during the month of December.

Recent updates:

Security cameras updates: No issues with the current cameras during the month of December. I have met with a representative from Beard Electric regarding the installation of security cameras in the community building.

Patrol vehicle updates: No issues with the patrol vehicles regarding maintenance. The 2020 Ford Explorer was taken to Priority Fire in Cortland on December 11, 2019 for the installation of the divider and other equipment. It is expected to be in-service during the week of December 23rd.

Bike patrol updates: Bikes have been placed in storage for the winter months.

Grant updates: With the holiday seasons approaching we will be utilizing more STOP DWI funding for DWI patrols.

Miscellaneous and Events:

The hypodermic needle kiosk from the Southern Tier AIDS Program will be delivered sometime during the beginning of January. However, proper security precautions need to be in place before it can be utilized therefore it may not be available until early spring (kiosk needs to be secured to a concrete pad). Once this is installed it will be beneficial to residents as a means of having a location to properly dispose of these items.

On November 26, 2019, Sgt Eckard and I attended training at SUNY Broome in Binghamton. The training was regarding crime scene management and equivocal death investigation with an emphasis on suicides and child death. The training was attended by several agencies in the area and it was beneficial.

November 30, 2019, was "Small Business Saturday" and I held my annual "Coffee with the Chief" at Sinfully Sweet Café. It allowed me time to speak with residents and talk to them regarding any concerns they maybe having.

On December 4, 2019, Officer Howell and I, along with his family, attended the American Red Cross of Central New York's 21st annual "Real Hero breakfast" where he was presented an award for his life saving actions during a structure fire on April 5th of this year in the village. It was a true honor to witness him represent the village as he received this award. Spectrum News interviewed Officer Howell regarding the incident and the interview was aired on both Spectrum as well as CNY Central (WSTM, channel 3).

The Hospice of Central New York's annual tree lighting was held on December 6, 2019. Several people attended the event and there were no issues during it.

School Resource Officer Steven Morgan, who as indicated in the November report, retired from the New York State Police on December 11, 2019, started his duties at the jr high school on December 16th. His transition into the school has been excellent.

On December 11, 2019, the village board approved employment status of Officer Kevin Forney from part-time to full-time. He started working full time on December 16, 2019 and his salary will be \$18.88 an hour (\$39,270.40 annually). Officer Forney has been an asset to the police department and I believe he will continue to be.

As indicated in the November report, I provided a letter to the Homer News regarding the criminal justice reform legislation beginning January 1, 2020. I also had a radio interview with WXHC regarding the reform as well. My main purpose was so people were aware of the legislative changes that ended cash bail in the event they are unfortunate to be a victim of a crime.

In conclusion, on December 11, 2019, I received an award from the Office of Children and Family Services for Excellence in Law Enforcement Protection of Vulnerable Adults. Cortland County Department of Adult Services nominated me for this award for advocating for the elderly regarding incidents in the village as well as bringing elder abuse training to the Cortland area. It was truly an honor to receive this award.

In conclusion,

Respectfully submitted,

Robert H. Pitman

Chief of Police

School Resource Officer's Report: 11/25/19 – 12/24/19

The School Resource Officer (SRO) program is a valuable partnership between The Village of Homer Police Department and Homer Central School District. The SRO's are based out of the school district buildings and maintains an office within the high school. This facilitates and allows the SRO's to be immediately accessible to students, faculty, administration and parents. The SRO's primary goals are to assist in maintaining the highest level of safety within our schools through prevention, and intervention as well as to reduce juvenile crime and incidents through education and counseling.

The SRO's investigate incidents which occur on the properties of schools within the Village of Homer (Elementary, Intermediate, Jr. High and High School). The SRO's facilitate assistance for all through the use of police department, school and community resources. The SRO's also conduct investigations, assist in certain student/parent meetings, phone consults, partner agency meetings, referrals, informal counseling, providing assistance to school officials and assistance to other police officers and agencies in regards to students or school issues and property.

The following data provides information and tracking of notable incidents handled for the time period of this report as well as a school year to date compilation.

December 2019 Recreation Monthly Report

Submitted by Recreation Director Zack Pollak

Recreation Updates:

- **John Tobin Basketball League – Cortland Youth Bureau**

- Kicked off this past weekend at 3 locations hosting 49 teams – YMCA, YWCA, and the SUNY Cortland Lusk Fieldhouse. Excellent event bringing all the surrounding communities together.
- I am helping chaperone the 4th grade boys' practices.
- New policy for all rec sports – No parents allowed in the gym during practices. I sent a letter to all parents participating in basketball (letter attached) asking parents to stay outside of the gym during practice. We have been experiencing disruptive parents during practices and this policy has been a long time coming. We use this in football as well with great results.

- **K-2 Skills & Drills Basketball:**

- Working to extend the program into March. Regular season ends next week. Will lengthen the season to start, in the future.

- **Ski Club**

- Starts 1/8, fingers crossed for good ski weather. Late registrations allowed until 1/8.

- **Soccer**

- We are running another soccer clinic in Jan/Feb for grade 6 - 8. Focus on skills training including passing, controlling, 1-touch and 2-touch drills, including 1-touch and 2-touch games. Great opportunity to keep soccer fresh in the kid's heads and break up the long break between the season.
- Coaches and other volunteers:

Chris Guay: Former collegiate coach, current CC Select coach, and Homer Rec coach

Ben Bowers: Homer Varsity Girls Coach, along with girls' varsity and alumni players

Rich Wagner: CC Select coach & CCYSA Vice President

Where: Junior High & Intermediate Gyms **When:** 1/11, 1/18. 2/1 --- 9:30 – 11am

- Winter Project: My goal is to create coach and parent "manuals" or "guides" for all our sports.

December 2019 Water and Sewer Report

Submitted by Lawrence Barber on 12/26/19

Water Update:

- Putting new water meters in and it that has taken up most of the time for the month.
- Looking for Water Leaks.
- Repaired the small generator that is in the Blue Van.
- Replaced all outside light bulbs at the Police Station.
- Received a new computer. It is in, setup and ready to go.
- Reading water meters for the next billing in January.

Sewer Updates:

- Cleaned all pump stations and floats.
- On Dec 2, we lost power in the Village and had to run our generators to keep the pumps working.
- Pulled sewer pump on Fulton St. and cleaned them out it was more rags in it.
