## **BOARD OF TRUSTEES PUBLIC HEARING**

**June 14, 2022**

### **Public Hearing # 1**

### **ADOPTION OF OPEN MEETINGS LAW PROCEDURES FOR THE VILLAGE OF HOMER BOARD OF TRUSTEES MEETINGS AND COMMITTEES**

WHEREAS Subdivision (c) of section 103 of the Public Officers Law, as added by Chapter 289 of the laws of 2000, is amended through July 1, 2024, to require that a public body shall provide an opportunity for the public to attend, listen, and observe meetings in at least one physical location at which a member participate, and

WHEREAS, January 1, 2024, the NYS Committee on Open Government will submit a report to the State concerning the application and implementation of this law and any further recommendations governing the use of videoconferencing by public bodies to conduct meetings, and

WHEREAS, said law allows a public body, in its discretion, to use videoconferencing to conduct its meetings pursuant to the requirements of the law provided that a minimum number of members are present to fulfill the public body's quorum requirement in the same physical location or locations where the public can attend, and the following criteria are met:

- A public body has adopted a resolution by June 14, 2022, authorizing the use of videoconferencing for itself and its committees or subcommittees and the public body has established written procedures governing member and public attendance consistent with the legislation, and such written procedures are conspicuously posted on the public website of the public body.
- The members of the public body shall be physically present at any such meeting unless such member is unable to be physically present at any such meeting location due to extraordinary circumstances, as set forth in the resolution and written procedures adopted, including disability, illness, caregiving responsibilities, or any other significant or unexpected factor or event which precludes the member's physical attendance at such meeting.
- Except in the case of executive sessions conducted pursuant to law, the public body shall ensure that members of the public body can be heard, seen, and identified, while the meeting is being conducted, including but not limited to any motions, proposals, resolutions, and any other matter formally discussed or voted upon.
- The minutes of the meetings involving videoconferencing shall include which, if any, members participated remotely and shall be available to the public if videoconferencing is used to conduct a meeting; the public notice for the meeting shall inform the public that videoconferencing will be used, where the public can view and/or participate in such meeting, where required documents and records will be posted or available, and identify the physical location for the meeting where the public can attend.
- The public body shall provide that each meeting conducted using videoconferencing shall be recorded and such recordings posted or linked on the public website of the public body

within five business days following the meeting and shall remain so available for a minimum of five years thereafter. Such recordings shall be transcribed upon request.

- Open meetings of any public body that are broadcast or that use videoconferencing shall utilize technology to permit access by members of the public with disabilities consistent with the 1990 Americans with Disabilities Act (ADA), as amended, and corresponding guidelines.
- A member who is participating from a remote location that is not open to in-person physical attendance by the public may not count toward a quorum of the public body (but may participate and vote if there is a quorum of members at a physical location open to the public).
- "In person" participation requirements of the Law shall not apply during a state disaster emergency declared by the governor pursuant to section twenty-eight of the executive law, or a local state of emergency proclaimed by the chief executive of a county, city, village or town pursuant to section twenty-four of the executive law, if the public body determines that the circumstances necessitating the emergency declaration would affect or impair the ability of the public body to hold an in person meeting.

RESOLVED, That the Village of Homer Board of Trustees hereby adopts the use of videoconferencing for meetings of the Village Board of Trustees and Standing Committees pursuant to the requirements set in Subdivision (c) of section 103 of the Public Officers Law and summarized above,

RESOLVED, further, that members shall be permitted to attend meetings remotely due to extraordinary circumstances, such as disability, illness, caregiving responsibilities, outside meetings, or any other significant or unexpected factor or event which precludes the member's physical attendance at such meeting,

RESOLVED, further, That the Village of Homer Board of Trustees shall allow members to attend remotely via an established satellite location with participation counting quorum,

RESOLVED, further, that the Village of Homer Board of Trustees hereby adopts the following procedures for members attending remote meetings:

- A calendar of meetings will be posted on the Village of Homer's website that includes date, time, physical locations(s) where a member of the public may attend, and directions for receiving instructions for joining the meeting remotely by videoconferencing.
- Members attending remotely from a satellite location must provide notice of the publicly accessible location from which they will attend as soon as possible but no later than within 48 hours of the meeting for posting on the Consortium's website.
- Members attending remotely from a publicly accessible location where proper notice has been given will be counted towards quorum.
- Members attending remotely shall maintain visual contact throughout the meeting.
- Meetings of Village of Homer Board of Trustees' or Standing committees shall be recorded, posted to the Village of Homer's YouTube page, and retained for a period of five years.

**Village of Homer Board of Trustees Meeting**  
**May 24, 2022**  
**6:02 p.m.**

The Regular Meeting of the Village of Homer Board of Trustees was held remotely via zoom and in person at the Homer Town Hall at 31 North Main St. with Mayor McCabe presiding.

Members present:

Mayor, Hal McCabe (via zoom)  
Trustee, Patrick Clune  
Trustee, Edward Finkbeiner  
Trustee, Elizabeth McGrath

Also, present were Village Clerk Dan Egnor, Village Treasurer Tanya Digennaro, Dante Armideo, Don Ferris Homer News, Phil Stockton DPW Superintendent, Kevin Smith Cortland Voice.

**Approve minutes:** Trustee Clune made a motion to accept the corrected minutes of May 10, 2022, Seconded by Trustee McGrath- **all ayes.**

On **Motion** by Trustee Clune, Seconded by Trustee McGrath to pay the following bills – **all ayes.**

- **F & G Funds – Vouchers # 70-81 \$2,787.18**
- **A Fund – Vouchers # 166-199 \$19,151.29**

**Privilege of the floor:** None at this time

**Old Business:** The salt shed has no changes. The Little White Church will have contractors going through to inspect what work needs to be completed and estimates for that work. Phil has the specs needed to pour the concrete pad. The Comp plan needs to be pushed to the second meeting in June. The Linear Park has a rough estimate of \$30,000 to finish the project. Matt will continue to work with the Village to reduce the cost of a future architect.

**New Business:**

On **Motion** by Trustee Clune approve Dave Briggs appraisal quote for the Little White Church Community Center of \$800.00, Second by Trustee Finkbeiner– **All ayes.**

On **Motion** by Trustee Clune approve DEC required fresh mussel survey quote of \$21,300.00 Second by Trustee McGrath– **All ayes.**

On **Motion** by Trustee Clune approve the creation of the Dam Removal Grant Account, Second by Trustee McGrath– **All ayes.**

On **Motion** by Trustee McGrath approve the creation of the Salt Shed Grant Account, Second by Trustee Clune – **All ayes.**

Residents need to stop “volcano” mulching of Village owned trees to prevent problems according to a tree specialist. It is best if you do not use fresh mulch either.

On **Motion** by Trustee Clune accept a \$100.00 donation from Jack and Diane Breck to Homer Fire Department in the memory of James Breck, Second by Trustee Finkbeiner– **All ayes.**

Mayor McCabe asked Phil if the Village could look at the cost and longevity of sealing vs paving. Mayor McCabe suggested doing a short street to test the process of the sealing the pavement. Phil will go to a test site to see how the sealing has made out. The lowest quote for the other roads to be paved is with Suite Kote with the Village DPW doing prep and clean up work. On **Motion** by Trustee Finkbeiner accept the quote from Suit Kote for the paving, Second by Trustee McGrath– **All ayes.**

**Attorney: Nothing currently**

**Comments by Board Members: Nothing currently**

**Questions from the Media:** Kevin Smith asked for a brief summary of what is going to happen with the dam removal. Trustee Clune explained that the remaining parts of an old dam need to be removed for safety issues. After studies are completed there will be further direction for the dam removal. The mulch issue was repeated with clarification.

On **Motion** by Trustee Clune, Seconded by Trustee McGrath, the Board entered Executive session per Public Officer’s Law Section 103 to discuss the medical, financial, credit, or employment history of a particular person or corporation, or matters leading to the appointment, employment, promotion, demotion, discipline, suspension, dismissal or removal of a particular person or corporation at 6:23 P.M. **All ayes.**

On **Motion** by Trustee Clune, Seconded by Trustee Finkbeiner, the Board exited Executive session at 6:25 P.M. **All ayes.**

On **Motion** to adjourn by Trustee Finkbeiner, Seconded by Trustee McGrath at 6:27 P.M.-**All ayes.**

Honorable Mayor and Village Trustees

May has came to a end and we had 29 calls this month. Again the majority of the calls are Rescue. On the 8<sup>th</sup> we were called for a 10 year old child that was having trouble breathing. Member Ken Ford that lived across the road ran over and found the patient not breathing. He gave two breathes and got him breathing. The rest of the EMS responders arrived and took over. This was a great save. The 16<sup>th</sup> 17<sup>th</sup> 18<sup>th</sup> 19<sup>th</sup> and the 21<sup>st</sup> Second Assistant Chief Doug Vanetten and Company Officers ran week long fire school. We had a lot of fun together going over the procedures of the things that we do. There are some pictures and a report from Doug with this report. On June 10 We will be having a Fireman's Parade and a fund raiser with entertainment , food and beverages for the Homer Fire Department Benevolent.

## May 2022 Training Report

Company trainings and EMS training occurred. These were led at the monthly meetings.

May Department training was held on May 5 with a topic of Brush Fires and Drafting/Rural Water Supply. After classroom instruction, 511, 521 and 501 were set up at the Little York Dam with 511 drafting from the lake while 501 worked from the dry hydrant. 12 members attended.

Spring Fire School was conducted May 16-21, with various company officers and department officers leading training. May 16 training consisted of a review of the reporting process for injuries as a review of accident, life and vehicle insurances for department members. 36 members attended.

May 17 training was planned to be SCBA Awareness and Confidence training. Due to the fire in Mc Graw, training was revised to include air pack service checks and a familiarization with the breathing air supply (cascade) system on 541. Training was led by 581. 15 members attended.

May 18 training was on Engine Operations. The focus was facilitated using roll up drills. 502 and 531 along with a tanker were used in several scenarios. Training was led by 583. 23 members attended.

May 19 training was on Ventilation. 531 and 541 were used. 531 was used to access the single story peaked roof of the training tower, with the bucket and ground ladders deployed. All ventilation saws were operated off of both 531 and 541. 563 led training with 22 members attending.

May 21 training was on Extrication. Hand and power extrication tools were used from both 502 and 541. Two donated cars (thanks to Contentos and Moreys) were used to practice vehicle stabilization and to create access to the passenger compartments of the vehicles. Training was led by 583. 19 members attended. After training, the area around the training tower was cleaned, making the station grounds more pleasing to the eye.

With an average attendance of 23 members over the 5 Spring Fire School sessions, I continue to be proud and pleased with the support of our members as we work to implement training. Thank you for this opportunity to serve.

### May 2022 Monthly report

**Date: May 28, 2022**

**For the time period: 04/26/22 –05/26/22**

Mayor and members of the board,

#### **Patrol Monthly Activities:**

Please refer to the attached detailed reports for last month. There were a total of 480 calls for service during the month of May. Officers made 2 misdemeanor arrests, a bench warrant arrest, 6 unclassified misdemeanor arrests for aggravated unlicensed operating in the 3<sup>rd</sup> degree, 1 unclassified misdemeanor arrest for aggravated unlicensed operation in the 2<sup>nd</sup> degree, and 1 arrest for reckless driving. Officers conducted 122 vehicle and traffic stops and issued 82 traffic tickets. They also responded to 11 motor vehicle collisions, 2 of which involved personal injuries.

Notable investigations or incidents during the month of May: larceny of gasoline from a motor vehicle; a domestic incident involving injuries that resulted in an arrest; an unlawful fleeing of a police officer (failed to comply) and reckless driving that resulted in an arrest and a larceny from a local business.

#### **School Officers Reports:**

Please refer to the attached detailed school resource officer's report for the month of May 2022. There were a total of 603 incidents that the resource officers were involved in during the month of May.

#### **Recent updates:**

Security cameras updates: no issues with the security cameras at any of the municipal buildings or parks. However, the protective coverings to the cameras need to be cleaned.

Patrol vehicle updates: No issues with the patrol vehicles. A new patrol vehicle (2022 Ford Explorer) was ordered in December 2021 under a "piggy-back" bid. With speaking with the village mechanic, the new vehicle will replace the 2018 Ford Explorer (225) instead of the 2017 Ford Taurus (126).

Grant updates: The 2022 Buckle Up New York Click It or Ticket (BUNY/CIOT) traffic safety campaign was between May 23, 2022, and June 5, 2022. This traffic enforcement safety detail focused on operators and passengers not wearing seatbelts or safety restraint devices. Grant funding will be used during this campaign for extra patrols.

As indicated in the April monthly report, I applied for a traffic safety grant for 2023 and an additional grant for Child Protect Seats since we now have an officer certified as a technician. At this time, I have not received any notifications if we received any grant funding.

Bike Patrol: The patrol bikes were taken to Action Sports in Cortland for annual inspection / maintenance and are now in service. The E Bike that was ordered from Action Sports is expected to be in soon.

**Miscellaneous and Events:**

Recruit Officer Jordan Cowen is continuing to do well at the Syracuse Regional Police Academy. He is expected to graduate August 26, 2022.

We are still planning for National Night Out on August 2, 2022. On May 5, 2022, village treasurer, Tanya DiGennaro and I met with the Homer Business Association, and they agreed to support for this event by purchasing an award to the law enforcement or first responder agency that wins the team event.

As indicated in April report, officers participated in the New York State "Operation Safe Stop" campaign on April 28, 2022. This campaign promoted school bus safety through education and enforcement efforts. On April 29, 2022, School Resource Officer Bort had the opportunity to speak with the Homer High School health class regarding the dangers of driving while intoxicated. This campaign was relative to the New York State "No Empty Chair Campaign". Both these campaigns are focused on keeping children and young adults safe.

The annual Spring Drug take back was on April 30, 2022. A total of 1,117 pounds of medications were collected from all the take back locations with a 125 pounds from the Homer location. Between the fall and spring take back event, 224 pounds of medications were turned into the kiosk at the police department. This is almost double the weight which is normally turned in. The weight of the medication turned in during the take back event was also almost double that is normally turned in.

The Homer Little League Opening Day Parade was on May 10, 2022. The parade started at 11am at the intermediate school and ended at Griggs Field. This was a special year for the Little League as they celebrated their 25<sup>th</sup> anniversary. I am pleased to report that village officer donated enough money to sponsor two teams (\$500), which is something that we have never done.

On May 12, Officer Malone participated in the Law & Orders Night event at Tully's in Fairmont to raise money for Special Olympics. This event paired up an athlete with an officer as they welcomed and visited patrons. I would like to thank Officer Malone for volunteering his time for this worthy event.

On May 23, 2022, and May 24, 2022, officers from this agency attended Procedural Justice Training at SUNY Cortland that was taught police instructors from SUNY Cortland University Police Department and I. Additional classes will be offered on June 1, 2022, and June 2, 2022. The goal still is for all the officers in the department to receive this training.

The annual Homer American Legion Burns-McCauliffe Post 465 Memorial Day Parade will be on May 30, 2022. We will be assisting with traffic during it.

The Homer Firemen's Field Days Parade will be on June 10, 2022. There will be a band along with food and beverages at the community building following the parade. We will be assisting with traffic during the parade and will be providing security afterwards.

Information was placed on our Facebook page pertaining to our speed warning trailer and to contact the police department if residents would like the trailer posted in their respective neighborhoods to remind drivers to slow down. We have since received several requests and will be moving it to various neighborhoods in the village.

In conclusion, with the recent active shooter events in the country, I would like to remind residents that we provide Civilian Response to Active Shooter Events training to groups. This training is classroom only and it provides information as what to do in the event of an active shooter. Residents can call the police department to schedule a training.

Respectfully submitted,

Robert H. Pitman  
Chief of Police

### School Resource Officer's Report: April 26, 2022 –May 26, 2022

The School Resource Officer (SRO) program is a valuable partnership between The Village of Homer Police Department and Homer Central School District. The SRO's are based out of the school district buildings and maintains an office within the high school. This facilitates and allows the SRO's to be immediately accessible to students, faculty, administration and parents. The SRO's primary goals are to assist in maintaining the highest level of safety within our schools through prevention, and intervention as well as to reduce juvenile crime and incidents through education and counseling.

The SRO's investigate incidents which occur on the properties of schools within the Village of Homer (Elementary, Intermediate, Jr. High and High School). The SRO's facilitate assistance for all through the use of police department, school and community resources. The SRO's also conduct investigations, assist in certain student/parent meetings, phone consults, partner agency meetings, referrals, informal counseling, providing assistance to school officials and assistance to other police officers and agencies in regards to students or school issues and property.

The following data provides information and tracking of notable incidents handled for the time period of this report as well as a school year to date compilation.
