Time off sheets must be signed by the employee and supervisor and attached to the timesheet or turned in ahead to the Village Offices to maintain with the payroll.
2. Time sheets must note hours beginning worked and ended worked, as well as the amount of meal period taken, to verify compliance with Department of Labor rules. In general, employers must provide 30 minutes unpaid sick time for employees working six hours or more.
2. Time sheets must be verified and signed by the Department Head and the employee. The Department Head is responsible for forwarding the original to the Village Clerk's Office by the close of business every other Monday at Noon. Exceptions will be noted and approved by the Mayor, or Deputy Mayor, due to holidays, or other noted issues.
3. Falsifying time sheets is strictly prohibited and can lead to disciplinary action, up to and including dismissal, in accordance with Civil Service Law (Section 75).
4. Unless prior approval has been obtained from the Department Head, arriving early or leaving late for the employee's own convenience is not to be included in working time, provided that the employee performed no pre-approved or specified duties for the Village during such intervals.
